

Providing some of the most beautiful smiles in Hollywood, and located on Bedford Drive in the heart of Beverly Hills, Dr Joseph Stan specializes in a wide range of cosmetic procedures with a 24-48 hour turn-around time.

Having performed thousands of Cosmetic Procedures to date, and having personally placed over 6000 implants, Dr. Joseph Stan is one of the most renowned and experienced Cosmetic Dental Specialist in Los Angeles and the world. Ranging from high quality Porcelain Veneers to Teeth Whitening and Cosmetic Tooth Contouring, and with a special focus on implant placement, some of the most famous smiles in Hollywood have been created by Dr Stan.

Where Art and Science Unite

The Art of Unforgettable Smiles

Dr Stan is dedicated to providing his patients with Unforgettable Smiles to last a lifetime. Through our multi-specialty dental center, we offer patients same-day cosmetic and restorative procedures to ensure exceptional results. At our office, with our specialized Sleep/Sedation Dentistry Procedures, our patients gently nod off for a few hours and wake up with a magnificent new smile that is truly 'unforgettable'.

With global recognition, and a reputation as one of the most proficient and respected Dental Specialists in Cosmetic Dentistry and Dental Implantology, Dr Stan consults with patients locally, interstate and abroad. He combines his extensive 15 years of experience in cosmetic and implant dentistry with flawless artistic expertise—delivering the level of result where art and science truly unite.

Because no two smiles are alike Dr. Stan designs his client's smiles to suit their age, gender and facial contours, in order to satisfy their expectations of a brilliant smile. Patients locally, interstate and from all over the world confer with him to custom design their Unforgettable Smiles.
